Q22 Which situation applies to your course?

- This will be a newly proposed/created course (1)
- This course exists but does not currently include experiential learning (2)
- This course is already experiential but will be enhanced with funding support (3)

Q5 Course title and course level and course number or proposed if new

________________________________________________________________

Q6 Course Summary

________________________________________________________________

________________________________________________________________

________________________________________________________________

________________________________________________________________

________________________________________________________________

________________________________________________________________

Q7 Primary instructor for this course?

________________________________________________________________

Q8 Who would be/is a secondary instructor?

________________________________________________________________
Q9 Please list learning outcomes for the course

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q10 Number of credit hours and course length (number of weeks, etc.) for course

________________________________________________________________

Q11 Course modality

________________________________________________________________

Q12 What type of experiential education is the course? (example: research, practicum, internship, service-learning)

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q13 Please describe in what ways the course is experiential/applied learning (include definition and sample types).

________________________________________________________________
Q28 In what ways would this course increase access to experiential education for students or increase the quality of experiential education that students in your department have access to.

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q15 How will the course be/is it integrated into the academic plan of study/program curriculum?

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q26 Is this course or will this course be allowed to count for departmental major or minor requirements

- Yes (1)
- No (2)

Display This Question:
If Q26 = Yes

Q27 If yes, which major or minor

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q25 Please describe who the target student audience is for this course and how it will be/is promoted/marketed to those students

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q16 What are the biggest challenge points in developing or redeveloping the course?
Q17 What are the biggest challenge points in sustaining the course over time?

______________________________________________________________________________________

Q18 What have the barriers been to offering such a course in the past?

______________________________________________________________________________________

Q19 What support would be most useful in course development?

______________________________________________________________________________________
Q20 Additional comments/questions:

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Q24 Please upload a course budget for two semesters of this course including targeted minimum enrollment for the section.
Q23 Please upload a signed letter of support from your Departmental Executive Officer that clearly outlines how this course will be sustained including instruction cost and identified teaching team past the first semester offered and how the department will support the course after initial funding.
