B.A. Mathematics
B.A. Mathematics Education

Anticipated May 2022

RELEVANT EXPERIENCE

Student Teaching TBD

Fall 2022

Math Practicum: Spirit Lake Elementary School, Spirit Lake, IA

Spring 2021

Grade 2, 30 minutes weekly

- Prepared weekly lesson plans and integrated topics like addition, subtraction, and place value
- Conducted zoom sessions with a student one-to-one and became familiar with online resources and teaching strategies for remote learning
- Introduced a variety of research based-math strategies to help improve student understanding

Leader, STEM Camp, Iowa City, IA

June 2021-July 2021

Middle School Age, 20 hours per week

- Created mini lessons including read alouds and comprehensive writing activities
- Led small group zoom sessions with two students and assessed their reading comprehension and writing strategies
- Conducted a miscue analysis and analyzed the student's results

RELATED EXPERIENCE

Nanny: Private Residence, Chicago, IL

Summers 2020 & 2021

Grades K-1, 25 hours per week

- Provided care for two children, ages 5 and 6
- Responsible for taking children to various extracurricular activities and keeping them engaged during the day
- Practiced using behavioral management skills when applicable

Camp Counselor: The Park District, Chicago, IL

Summers 2015, 2017 & 2019

Grade Pre-K, 15 hours per week

- Led group of 8-10 children in various camp activities and monitored their safety and well-being
- Collaborated with other counselors when planning daily schedules and other tasks
- Planned and directed group activities such as read aloud, snack time, and playground games

PROFESSIONAL DEVELOPMENT

College of Education Teacher Leader Certificate: University of Iowa

Spring 2021

- Attended six professional development workshops on topics including mental health, disability, and behavior management strategies
- Completed 10 volunteer hours at Mann Elementary School in Iowa City, IA in a second-grade classroom.
- Completed the Level 1 Google Educator Certification.

VOLUNTEER INVOLVEMENT

Classroom Volunteer: Small School, Tiny City, IA

Summer 2019

Grades 1-4, 10 hours

- Observed an art classroom and assisted teacher in preparing supplies and materials for students
- Supported student understanding by answering questions and reviewing student work during lessons
- Witnessed teaching strategies like wait time, modeling, and differentiated instruction

Community Volunteer: Our Place of Newness, Chicago, IL

Summer 2018

- Provided care for adults with disabilities and assisted them in completing daily tasks
- Traveled with group to the local gym and monitored their workouts to avoid possible injury
- Built rapport with the group by meeting frequently with participants outside of volunteer hours

ADDITIONAL EXPERIENCE

Referee: North Dodge Athletic Club, Iowa City, IA

Fall 2018-Present

- Applied and oversaw the rules of basketball to children aged 8 to 14
- Communicated with athletes on what infraction was made and how they could adjust their game
- Assuaged issues that arose during tense games through discussion and early action

Server: Biker Bar USA, Anamosa, IA

Fall 2019-Summer 2019

- Entered orders in an electronic system in a quick and efficient manner
- Serviced up to 8 different tables in an hour with a variety of number of guests and needs
- Collaborated with colleagues to ensure that special requests were carried out with care
