ACTION-ORIENTED RMI TIMELINE

Experience

- Complete your [TIPPIE RISE REQUIREMENTS](#)
- Participate in at least 2 of the following:
 - Business/Finance/Insurance internship
 - Finance case study
 - Externship/job shadow/informational interview
 - Alternative spring break
 - Employer-sponsored summer program
 - Part-time/summer job in risk management/insurance
 - Study abroad/international volunteer or internship experience
 - Complete activities relating to technology or financial acumen (i.e. Wall Street Prep Boot Camp or Bloomberg Market Concepts)
 - Finance research opportunity

Take advantage of additional opportunities to gain experience:

- Participate in [professional development](#) activities (i.e. Coursera or LinkedIn Learning)
- Participate in a [career trek](#) offered by the Pomerantz Career Center or your department for exploration and networking opportunities
- Work in a [Student Employment](#) job on or off campus to gain general work experience and see if you can take on finance-related duties
- Take on a leadership role or volunteer for RMI responsibilities within a student organization
- Become a student member of a professional insurance or finance organization
- Attend workshops/activities sponsored by the RMI department
- Participate in suggested activities from [My Career Path](#) to explore additional opportunities

While you gain experience, continue with the following:

- Collect and keep samples of your work from projects or internships to create a risk management [portfolio](#)
- Participate in [Mock Interviews](#), [Big Interview](#), or [Case Coach](#) to further develop your interview skills
- Write a [sample cover letter](#) focused on your risk management knowledge, skills, and experiences
- Identify and develop your brand through tailoring your resume, cover letter, and portfolio materials
- Attend the [Fall and Spring Job and Internship Fairs](#) sponsored by Pomerantz Career Center
- Attend student organization-sponsored job fairs
- View undergraduate [career leads](#) to identify opportunities of interest to your career goals
- Use [Handshake](#) and other finance-related sites to search for internships/jobs

ACTION-ORIENTED RMI TIMELINE

Achieve

- Plan to invest at least 10 hours a week toward your job search (average student may apply to 50+ positions)
- Apply for full-time jobs beginning in September – knowing the average search can take 6-9 months
- Create an individual job search action plan with clear targets and action steps
- Update your [Handshake](#) profile and use Handshake to conduct a job search
- Create a “saved search” or “search agent” in Handshake, tailored towards your career interest areas in finance
- Update and tailor your [resume](#) and [cover letters](#) to highlight your finance and RMI experience and knowledge
- Prepare a list of [references](#)/seek recommendations from professors and other professionals
- Attend [Fall and Spring Job and Internship Fairs](#) sponsored by Pomerantz Career Center and connect on LinkedIn with recruiters of employers that are of interest to you
- Attend student organization-sponsored fairs and networking events
- Attend workshops/activities sponsored by the RMI or Finance department and seek contact information from speakers
- Join RMI-related professional organizations to make connections
- Participate in a [Mock Interview](#), [Big Interview](#), or [Case Coach](#) to polish your interview skills
- Use Pomerantz Career Center resources to investigate [salary ranges](#) for jobs that you are considering
- Learn how to use other job search resources, including personal contacts and faculty leads
- Use [LinkedIn](#) or [Vaughan Institute](#) to connect to alumni who work for companies that don't traditionally recruit through fairs or postings on campus
- View undergraduate [career leads](#) to identify opportunities of interest to your career goals
- Once an offer is received, read it carefully, ask questions of the organization's HR contact, consult with a mentor or Career Coach, negotiate any changes in writing, and respond by the deadline
