

## GRADUATE & PROFESSIONAL SCHOOL PROGRAM RESEARCH

Applications are undertakings that require planning, searching for information, and commitment. For reflection questions (about whether it's the right decision for you), for resources to research programs, and for admissions test info, go to [careers.uiowa.edu](https://careers.uiowa.edu).

To keep track as you learn about programs, create an Excel spreadsheet with your priorities in one column and then 6-12 programs across the top.

### Potential Priorities

- Acceptance Rates
- Admissions/Program Coordinator contact info
- Application Requirements
- Application Status (Application turned in, Accepted, Rejected, Wait listed?)
- Articles/Books (Seminal works by professors)
- Audition or Portfolio Requirements
- Informational interview of Current Student
- Job Placement Rates
- Potential Faculty Advisors
- Publications (Law/Literary Review, Academic Journals)
- Ranking
- School/program Specific Scholarships
- Size of the Department

As you continue to research, you will eventually want to decide upon a minimum of six schools to apply to (if finances allow). You are aiming to apply to at least two safety schools, two schools where you have a 50/50 chance of acceptance, and two reach schools.
