Spring Job & Internship Fair
Thursday, September 24, 11 am - 4 pm
The University of Iowa, Iowa Memorial Union

Parking Options:
As part of your fair registration fee, parking is complementary. There are two preferred options for parking:

Iowa Memorial Union (IMU) Ramp
*This ramp has been reserved/bought out for the fair – this should be your first ramp you try and park at.
  The sign will say FULL, but it is reserved for our Employers visiting campus and is not expected to be FULL
  until much later in the day. It is suggested you carpool as best you as can as space is limited.
*You will only need a Parking Hang Tag which you must have to enter the ramp.
*When you exit from the IMU Ramp, the gate will go up after the fair and you will not need turn in anything
  as you exit.

North Campus Ramp
*If you park at the North Campus Ramp please note that you will need a parking voucher (which you pick up
  at the Employer Check-in table) to pay for parking as you exit.

When you arrive at the IMU to set-up for the fair, please enter through the East Lobby (directly across from the IMU
Ramp exit) to check-in. Please note, that the Capitol Street Ramp should be a back-up ramp location and you will need to
bring your parking stub to Employer check-in and get it stamped for that ramp to be paid for.
